# Awaji Island

Awaji Island is well-known in Japanese mythology as the first island of Japan. It's a unique place, located close to the cities while secluded in its own natural landscape.

In Awaji Island, we invite you to experience the authentic Japan, untouched and uninterrupted by crowds of tourists from the urban centers.

The island itself is proximal to and easily accessible by public transportation from major areas such as Kobe and Osaka.

# Awaji Island

Official Tour Guide

"Awaji, Land of Flower and Love"

## DAY 2

## DAY 1

Our tour will lead you through the romantic and mythical origins of Awaji Island, the land where the gods Izanagi and Izanami married.

Walk through an artistic landscape, take part in interactive workshops, taste traditional sake, and explore a mysterious Shinto shrine.

A different side of Japan awaits your visit!

Awaji, Land of Flower and Love
